contribute to the government the sum

nual Federal license.

will have to pay \$25 for an an-

is further proposed that there

The boundaries as they exist at the

present time, extend along Fort to Beretania and Merchant streets, along

Merchant to Nuuanu, to King, to Mau-nakea, along Maunakea to Beretania

and thence to Fort. The result is that

all the saloons are crowded together and in the districts of the city outside

of the boundaries given, the "blind

pigs" or illicit sellers, spread out their

nets for the trade. The saloon mer

think this is unfair as they have to

pay heavy licenses and the men who

treasury get the major part of the trade. This is why the provision to do

away with all boundaries was incor-porated in the bill. As at the present

time, the bill provides further that

there shall be no limit as to the num-

fect, all applications for licenses will,

of course, be made to the County

Treasurer. In order that it shall be

operative, a majority of the County Supervisors must approve of it. How-

ever, there will be a sort of a "transi

tion period" which the bill provides for

—the time that clapses between the passage of the County Bill and the put

ting of the same into effect. Applica-tions made during that period will be

presented to the Territorial Treasurer and in order to become effective, mus-

be signed by a majority of the follow-

ing officers: Territorial Treasurer

ense and the saloon men think it no

more than right that they should be

made to pay a license, thereby benefit

ASSOCIATION FOOTBALL

The league game of association foot

ball tomorrow (Saturday) afternoon

will be between the Pacifics and Maile

llimas at the usual place. This should

without doubt be the best contest of

the season. The kick-off will be promptly at 4:30 o'clock.

The Maile-Ilimas have been practic

have not lost a game this season. If

they win tomorrow, this team will be

WEAR PASTE JEWELS

New York, Jan. 27,-The published statement of a Paris jeweler that the jewels of Mrs. C. L. Fair were not stolen after her death in France-because she left the real ones in America and took only imitations abroad, caused no surprise to prominent New York jewelers to whom the matter was men-

F. W. Fredericks, who makes a specialty of manufacturing paste jewels for the moneyed class, said: "Nine-tenths of the jewels seen in the ariston cratic balirooms of New York are nothing more than paste. The real jewels are stored in safe deposit vaults, the owners not caring to run

the risk of robbery by wearing them. R. L. Locke of Graham, Locke & Co. when asked if it was the custom wealthy people to lock up real jewels and wear imitations, said: "Of course

AN ANDEAN VISTA

The beauties of the Andes are not fully realized by the world in general because few fourists care to brave the difficulties and discomforts of a joi ney to this garden of loveliness. The Colombian range offers wonder-pictures of the greatest fascination. Standing on an elevation of six thou-You will find them with sand feet one sees in the far distance the snow-capped peaks rising ton us, because we handle not thousand feet above; below stretches only our own but others as well.
